## Touristic visits

On Wednesday, September 13, four touristic visits are proposed to the participants just before dinner. Please check on the registration form the one you want to attend (for the participants, the visit cost is included in your registration fee).

**1. Classic tour:** to discover Saint Malo's walled city (fortifications began in the 12th century), the harbour and Saint Vincent Cathedral.

**2. History tour about the Corsaires of St Malo:** tour of the walls in the footsteps of Duguay Trouin, Surcouf about their trips, life in the city, their houses...

**3. Discovery tour of the last privateer's Corsaire house:** The Hôtel Magon is the former private mansion of a Saint-Malo shipowner, built in 1725. Three centuries ago, it hosted the professional activities of the India Company and the daring privateers of Saint Malo. We will welcome you in this authentic and human-sized building, entirely classified as a Historic Monument, inside and outside, located in the heart of the historic city centre of Saint-Malo (inside the walls).

**4. Beach tour:** a walk on the longest beach of Saint Malo with your nature guide to discover the fauna, the flora and talk about the biggest tides in Europe.

**5. Private tour on board of the little train of St Malo:** a guided tour in English through the small streets of the walled city and discover its historical monuments, its magnificent bay, its stories of privateers, its famous men who made the city famous.
